**Our plans for 2008.** Flames Gymnastics Club will be organising lots of fundraising activities during 2008; this will be used to fund new equipment for the gym. We are hoping that if we organise enough events and seek sponsorship we may be able to buy a new floor in 2009 / 2010. We hope you will support us in these activities.

**New Coaches at Flames.** Congratulations to **Tamsin Perry** who recently passed her level 2 coaching exams, and we are now supporting more young coaches as they start their coaching career ... Emily Mole, Renee Deeley, Angharad Wintle and Amy Young all complete their level 1 coaching course in January 2008 with exams in the Spring. Good luck coaches!

## Competition results!

Congratulations to all gymnasts who competed in the Club Championships before Christmas – results are on the Club's website along with lots of new photographs ....
